ME THIS MUCH...

I'M SO HAPPY

## Epilogue

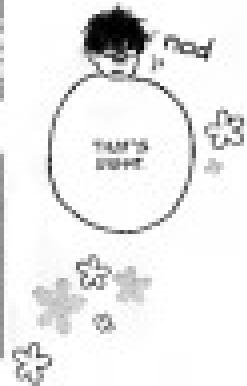

Lucky Number 13° ends with this volume. But a new manga follows after the Epilogue. I felt very happy being able to write a work with so much baseball content. I'll have you know that some of what happened in the manga are personal experiences (for example the BBG story, hahah). I wanted to share my experience in various or well. With the excuse of collecting data to write this story, I came back to Okinawa to watch the practice of the team after many years. But the practice I decided on was at seven pm. Despite it being a little late, I went anyway, but it rained torrentially. I got soaked down to my underwear and on top of that the game was delayed so I ended up leaving the stadium at eleven o'clock at night. It was very funny. Memories from my trip.
